

**BLACKFOX
TACTICAL**

**FIRST CHOICE
ARMOR**
With you. For life.™

Product Sheet for:

M.U.S.T.

Features:

- Level IIIA protection
- Lightweight (14 lbs.)—
approximately 30 percent lighter
than other shields of the same size
- Larger, more functional view
port—greater tactical visibility
- Firearms can be deployed from
right and left sides
Easier long-gun deployment—
standing, kneeling and prone
positions
- Special shape—reduced exposure
of head and arms
- Easier deployment in confined spaces
